3.1.3 Research Promotion, Support, and Incentive Policy

Research is a systematic process of inquiry and investigation aimed at discovering new knowledge, solving problems, and enhancing understanding across a wide range of disciplines. It involves the collection, analysis, and interpretation of data to answer specific questions or test hypotheses. Research plays a fundamental role in the advancement of science, technology, and society, contributing to the development of new theories, practices, and innovations. For nurturing the culture of the research among the teachers; the institution, Sant Dnyaneshwar B. Ed College has taken initiatives to start Research Cell in the academic Year 2023-24. The Research Cell of the college supports to every faculty member for conducting research through

1. Financial Support

- **Research Grants and Funding:** Provision of internal grants or seed money to support research projects initiated by faculty members.
- **Travel Grants:** Financial support for attending conferences, seminars, or workshops related to their research.

2. Research Facilities and Resources

- **Access to Databases and Journals:** Providing access to academic databases, journals, and research tools that are necessary for conducting high-quality research.
- **Laboratory and Equipment Support:** Offering access to research laboratories and equipment if applicable to the research being conducted.

3. Time and Workload Adjustments

Reduced Teaching Load: Offering a reduced teaching load to provide more time for research.

- .

4. Collaboration and Networking Opportunities

- **Partnerships with Other Institutions:** Facilitating collaboration with other educational institutions.
- **Research Networks:** Encouraging faculty members to participate in research networks

5. Publication Support

- **Assistance with Publication:** Providing support for the publication process, including editing services, submission fees, and dissemination of research findings.

6. Administrative Support

- **Research Administration:** Providing administrative support to help to conduct research activities.

Activity Report

Faculty Training Programme on

Research in Education

Date: 26th July, 2024

Objectives of the Programme:

- To make our faculty members aware of the recent research trends in the field of education
- To encourage faculty members to pursue doctoral research
- To motivate faculty members as well as students to undertake research on various current issues in the field of education
- To inculcate research culture among the faculty members
- To orient faculty members about prospects of funding for research in education

Report of the programme

- Our college has organized one day Training Programme for the faculty members of the organization. The training programme was organized on 26th July, 2024. Dr Santhosh Machade from Aurangabad has guided our faculty members on the topic 'Research on Education. He also talked about maintaining psychological pressure during the period of research, He

oriented our faculty members about various funding agencies and type of proposals to be submitted to the concerned funding agencies.

Outcomes of the Programme:

- Faculty members understood the importance of undertaking research in education
- They also understand the ways in which psychological pressure can be maintained in order to balance the work and research together
- Faculty members got information about various funding agencies.
- Faculty members also understand the format of research projects to be submitted to various funding agencies

Report

Teacher Orientation Program

Date: 13/12/2021

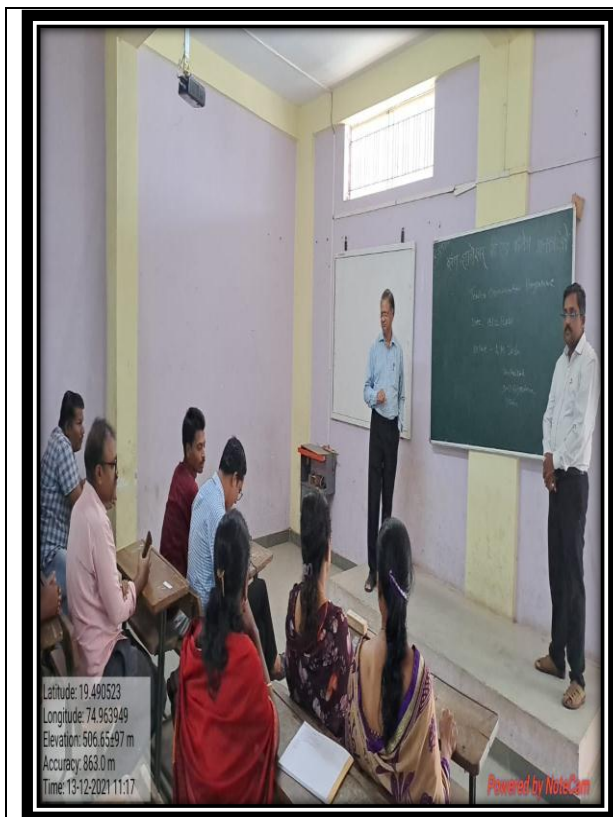

Venue: College Classroom

Executive Summary: The Teacher Orientation Program conducted by the College of Education aimed to equip new teachers with essential knowledge, skills, and resources to ensure their successful integration into the educational system. This report summarizes the objectives, activities, and outcomes of the program's overall effectiveness.

1. **Introduction:** The Teacher Orientation Program at the College of Education is an annual initiative designed to welcome and guide newly hired teachers. The program aims to provide a comprehensive understanding of the college's values, policies, and teaching methodologies. It also facilitates networking among new faculty members and fosters a supportive and collaborative environment.
2. **Objectives:** The primary objectives of the Teacher Orientation Program were as follows:
 - a) Introduce college culture and values.
 - b) Familiarize teachers with college policies and procedures.
 - c) Enhance pedagogical skills and innovative teaching methods.
 - d) Provide technology training for effective classroom integration.
 - e) Promote collaboration and networking among teachers.

3. Methodology of execution: The Teacher Orientation Program was executed in the following way.

- a) **Welcome Address:** The program began with a warm welcome from the college administration and a brief overview of the college's mission and vision. College Policies and Procedures explained important college policies, including attendance, grading, and academic integrity.
 - b) Principal **Dr. Udmalle R. N.** conducted interactive session on effective teaching strategies, lesson planning, and student engagement techniques. Participants were introduced to the college's library and online resources available for professional development.
- 4. Conclusion:** The Teacher Orientation Program organized by the College of Education successfully achieved its objectives of integrating new teachers into the college community and equipping them with essential skills and knowledge.
